Article II - Statement of Faith

We believe that

1. God is one God; existent in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ, born of a virgin, is God come in the human flesh, being fully God and fully man, except without sin.
2. The Bible is the only inspired and infallible written Word of God.
3. All men are in violation of God's righteous requirements and His holy character, by both nature and act, and therefore are under His wrath and just condemnation. The central purpose of Christ's coming was to pay the penalty for man's sin through His death on the cross - the successful accomplishment of which is attested to by His subsequent visible, bodily resurrection.
4. Salvation is offered by the grace of God as a free gift to the sinner. This gift must be responded to in individual faith, not trusting in any personal works whatsoever, but in the sacrificial death and resurrection of Jesus Christ alone.
5. Marriage: UCHS follows the traditional Biblical marriage model; marriage is between one man and one woman.
6. We believe that God created the human race male and female and that all conduct with the intent to adopt a gender/sex other than one's birth gender/sex is immoral.

Please review the following and sign below: We have reviewed a copy of the UCHS By Laws, Statement of Purpose, and Statement of Faith and agree with the contents of each document.
